Tailor-made pleasure

Every inch and every last detail of the Galeon 390 Fly are hand-crafted. The 390 motor cruiser is a perfect example of how our designers combine safety and quality with spaciousness and functionality. Thanks to our motor yachts designed and built for uncompromising performance, Galeon has become a highly-reputed trademark and a market leader who has become impossible to ignore.

Overview

The atmosphere of total freedom and control you experience in the flybridge area is amazing. When you have enjoyed it once, you have to do it again. The area includes a relaxing saloon, a roomy sunbed and the driving control.

Interior

Sophisticated interior design has been lavished on areas that offer the utmost in comfort, luxury and privacy. The 390 Fly is packed with brilliantly designed elements which provide you with an ideal environment for fun nights away from home. Inside the cockpit you have everything you need to make the finest in food and drinks.

Comfort below

In the owner's suite forward, the feeling of perfect privacy comes to you as soon as you close the cabin door behind you.

From the steering position you have total control and great manoeuvrability. Below deck you experience a surprisingly roomy feeling. Ingenious use of space provides comfortable accommodation for five people.

The cockpit, the three suites, the bathroom and the separate shower are all equipped with warm, balanced lighting.

Enjoy her to the fullest

Add some blue sea, warm sun and free time to this beauty. The result is quality leisure time, smiling faces and an overall feeling of well-being. The Galeon 390 is built to satisfy your every need and to provide you with the ultimate in luxury.

Indulge yourselves

Her beautiful lines extend nearly 12 meters. And her three decks invite you to a totally delightful on-board experience.

Relax, socialise and have a lot of fun on the spacious areas outside. On deck, there's plenty of room, so a warm reception is guaranteed for everyone who boards her.

Experience, expertise and quality for your safety

..... Galeon's overall goal is your safety and comfort at sea. This is achieved by combining robust materials with expert workmanship, by merging modern design and a genuine passion for boat building. The efficient hull design makes for excellent handling performance, which is both firm and smooth in any sailing conditions.

..... Owning a yacht like the Galeon 390 gives you the perfect blend of relaxation, luxurious living and pure fun.

Galeon have been turning ambitious dreams into floating realities since 1982. Our experience and reputation as a full-range builder have resulted in the construction of several popular motorboats and luxury motor yachts up to 16 meters. The demand is increasing. Today the company benefits from over 20 years of experience and knowhow of building boats. Every Galeon is constructed, designed and custom-made with safety, quality and durability in mind. The handpicked materials and construction methods enable us to guarantee a product that makes your dreams come true.
